

## **Changes/Updation required**

<https://oicgt.vercel.app>

### **Nav bar**

- Logo - As it is in same place.
- Add – Text Heading – Online Indian Citation Generation Tool (in the Centre)

### **Menu bar**

#### **Bring down Menu bar from Navbar – Create separate Menubar**

- Add Menu bar
- Home | Guides | Tutorails | FAQs | Contact Us

### **Slider Section**

- Minimize the size of slider section

### **Autofill Search Box**

- Place Autofill Search Box after Slider section
- Now Websites and Patents is not functioning well for Autofill – The data is filling up but when we cite the source it does not show the result.

### **Existing Manual Forms**

- When we click on any information source like book, e-book, book contribution, journal, e-journal, journal contribution, websites, Electronic messages, and patents it should open that specific form.

### **Guides**

- Remove Video Tutorials and place them in new tab Tutorials

### **Tutorials**

- Place the Video Tutorials kept at Guides presently
- Place a PDF space for uploading a Guide for using this tool
